Dear Howard:

I am enclosing a disclosure on a designed cigarette. Another disclosure on a related subject will be sent to you very soon. It is probable that these two should be considered at the same time so that we can avoid anything that might seem to be double patenting. I would like for us to be prepared to discuss both of these disclosures with the inventors when you are here on Wednesday of next week.

Sincerely,

TCH

Mrs. Thelma C. Heatwole
